Sir:

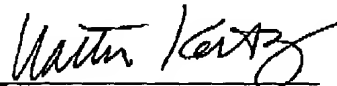

REQUEST FOR ASSIGNMENT OF APPLICATION

Applicant hereby respectfully requests that the above-identified U.S. patent application, not presently acted upon (as of the above date) be assigned for action by an Examiner other than the Examiner who handled the parent application (Mr. Curtis Sherrer).

My reason for this request is the following. In a related case, I scheduled a Personal Interview with the said Examiner. When I came to the Patent Office with the inventor for the interview but Mr. Scherrer was not present that day at the Office, and he did not inform his supervisor about the meeting, or explain the reason for this absence either to me or his supervisor.

Please attempt to make a suitable assignment of this application.

Respectfully submitted,

Dr. Walter Katz
